

# CLUB LIFE

*Empower, Engage, Sustain*

## Competitions

Basically we have two types of Club Competitions – Leagues and Cups

League Competitions involve a number of teams of similar ability who usually play each other on a “Home” and “Away” basis throughout the season

Results are collated with appropriate points awarded (e.g. 3 points for a win, 1 point for a draw) and teams promoted or relegated, to the next division, for the following season

Each league (and divisions within the league) operates differently, please contact your Regional Organiser who will discuss the various options with you and put you in touch with the relevant co-ordinator. There is no Welsh National league.

All Clubs are invited to participate in National Cup Competitions which usually involve “one-off” matches, with the winning clubs progressing to the next round and the finalists competing for a trophy at the Hockey Wales Finals weekends. North Wales organise some Cup competitions. South Wales organise Youth Cup competitions but do not have any Senior South Wales Cup competitions.

For more information on Competitions contact Debra Barker, Hockey Wales Competitions TAG ([debra.barker@hockeywales.org.uk](mailto:debra.barker@hockeywales.org.uk)) or one of the following:
