

SOUTH WEST POD Delivery Plan – Strong Clubs and Effective People

HOCKEY WALES VISION 2020

1. 60,000 people in Wales are members of Hockey Wales (V1)
2. Every young person of school age enjoys a quality hockey experience (V2)
3. Wales is consistently ranked in the top 10 in Europe (seniors) and provides between 2 and 4 players to the GB squads for the Olympic Games (V3)
4. We have a fit for purpose workforce of coaches, umpires, officials, and volunteers able to meet the demands and provide a high quality experience (V4)

2014 - 2016

SOUTH WALES PRIORITIES

1. South Wales has an **Effective Regional Structure** with Regional Board, POD's and Technical Action Groups populated with the right people (swp 1)
2. South Wales has a network of **strong clubs** offering local opportunities for children and adults (swp 2)
3. South Wales offers **participation opportunities** in a range of environment both formal and informal to a children and adults (swp 3)
4. There are appropriate and varied opportunities for children and adults to **compete in Hockey** (swp 4)
5. The region has a strong and **effective workforce** of Coaches, Umpires and Volunteers (swp 5)
6. South Wales has an effective **Talent Development Pathway** From Tier 1 through to Tier 4 (SWP 6)

Operational Targets and Priorities 2014 - 2015

SOUTH WEST TARGETS & PRIORITIES

1. Increase membership across the region (to include club, recreational and subscriber) (swp 2)
2. Improve the quality of coaching and player experience (swp 5)
3. Continue to develop the provision of local and player centred competition (swp 4)
4. Support Carmarthen Hockey Club as a Focus Club (swp 2)
5. Increase the amount of clubs using 4689 as a means to deliver Hockey to Juniors (swp 2)
6. Increase the amount of schools delivering Hockey using 4689 (swp 3)
7. Increase opportunities for adults to play Back2Hockey and RUSH Hockey (swp 3 & 4)
